NOMINEE

The Prize of Prizes

Once more, Catalano entered the final selection of Design Preis 2010 with PROIEZIONI 80 range.

The Design Award of Federal Republic of Germany is the maximum recognition of excellence in design, because the condition for nomination is that the product has already been awarded with a national or international prize; that is why it is called "The Prize of Prizes".

The Award Ceremony will take place on 12th February 2010 in Frankfurt Am Main.

The meaning of this nominee is highly significant; Catalano is the Italian biggest sanitary-ware exporter in Germany: its products are displayed in over 150 selected showrooms scattered all over the country.
